RE: Contract Expiration and Hasler Product Availability

To whom it may concern;

As the result of the merger between Neopost and Hansler, Inc., please be advised that the Mailroom Equipment and Maintenance contract, EPS050076-A2-1, with Hasler, Inc. expired on November 8, 2009. The Hasler product line has been added as a part of Neopost's contract, EPS050076-A2-3. Of the Participating Addendums in place under the Hasler MPA, all but one of these Participating Entities, also have a PA in place under the Neopost MPA. Accordingly, Arizona anticipates no interruptions in contract or product availability as the result of this change.

Hasler products and pricing information can be found on the ProcureAz website (<https://procure.az.gov>) in an attachment to the Neopost contract, EPS050076-A2-3, entitled "Hasler WSCA Product and Price Catalog - February 2009". For more information, please use the following link to the Neopost contract.
