5) *Participating State:* A Signatory State that has indicated its intent to participate in a specific cooperative procurement/master price agreement by executing an Intent to Participate, or who has subsequently executed a Participating Addendum where required.

d. **Prices.**

- 1) **Price adjustment.** For any costs affecting the percent markup that the Contractor will or will not incur or that differ from costs incurred or not incurred in the fulfillment of this Contract, the Contractor shall adjust its pricing up or down accordingly. 3. COSTARS (COOPERATIVE SOURCING TO ACHIEVE REDUCTIONS IN SPEND) PROGRAM:

COSTARS Purchasers. Section 1902 of the Commonwealth Procurement Code, 62 Pa.C.S. § 1902 (“Section 1902”), authorizes local public procurement units and state-affiliated entities (together, “COSTARS Purchasers”) to participate in Commonwealth procurement contracts that the Department of General Services (“DGS”) may choose to make available to COSTARS Purchasers. DGS has identified this Contract as one suitable for COSTARS Purchaser participation.

A. Only those COSTARS Purchasers registered with DGS may participate as COSTARS Purchasers in a Commonwealth contract. Several thousand COSTARS Purchasers are currently registered with DGS;

therefore, the Contractor agrees to permit only to DGS-registered COSTARS members to make COSTARS purchases from this Contract.

1. A "local public procurement unit" is:

Any political subdivision;

Any public authority;

Any tax exempt, nonprofit educational or public health institution or organization;

Any nonprofit fire, rescue, or ambulance company; and

To the extent provided by law, any other entity, including a council of governments or an area government that expends public funds for the procurement of supplies, services, and construction.

2. A state-affiliated entity is a Commonwealth authority or other Commonwealth entity that is not a Commonwealth agency. The term includes the Pennsylvania Turnpike Commission, the Pennsylvania Housing Finance Agency, the Pennsylvania Municipal Retirement System, the Pennsylvania Infrastructure Investment Authority, the State Public School Building Authority, the Pennsylvania Higher Educational Facilities Authority and the State System of Higher Education.

B. COSTARS Purchasers have the option to purchase from a Contract awarded under this procurement, from any DGS contract established exclusively for COSTARS Purchasers in accordance with the requirements of Section 1902, from any other cooperative procurement contracts, or from their own procurement contracts established in accordance with the applicable laws governing such procurements. The Contractor understands and acknowledges that there is no guarantee that any prospective COSTARS Purchaser will place an order under this Contract, and that it is within the sole discretion of the registered COSTARS Purchaser whether to procure from this Contract or to use another procurement vehicle.

C. DGS is acting as a facilitator for COSTARS Purchasers who may wish to purchase under this Contract. Registered COSTARS Purchasers who participate in this Contract and issue purchase orders ("POs") to Contractors are third party beneficiaries who have the right to sue and be sued for breach of this contract without joining the Commonwealth or DGS as a party. The Commonwealth will not intervene in any action between a Contractor and a Purchaser unless substantial interests of the Commonwealth are involved.

D. Registered COSTARS Purchasers electing to participate in this Contract will order items directly from the Contractor and be responsible for payment directly to the Contractor.

E. The Contractor shall furnish to the DGS COSTARS Program Office a quarterly electronic Contract sales report detailing the previous quarter's Contract purchasing activity, using the form and in the format prescribed by DGS. The Contractor shall submit its completed quarterly report no later than the fifteenth calendar day of the succeeding Contract quarter.

1. Until such time as DGS may provide the Contractor written notice of automated report filing, the Contractor shall either e-mail the reports to GS-PACostars@state.pa.us or send the reports on compact disc via US Postal Service to the DGS COSTARS Program Office, Bureau of Procurement, 6th Floor Forum Place, 555 Walnut Street, Harrisburg, PA 17101. When DGS has instituted automated reporting, the Contractor shall comply with DGS's written notice and instructions on automated Contract reports. DGS will provide these instructions with sufficient advance time to permit the Contractor to undertake automated reporting.

2. The Contractor shall include on each report the Contractor's name and address, the Contract number, and the period covered by the report. For each PO received, the Contractor shall include on the report the name of each COSTARS-Registered Purchaser that has used the Contract along with the total dollar volume of sales to the specific Purchaser for the reporting period.

1. If the Contractor is aware of any qualified entity not currently registered and wishing to participate in the COSTARS Program, please refer the potential purchaser to the DGS COSTARS Website at www.dgs.state.pa.us/costars, where it may register by completing the online registration form and receiving DGS confirmation of its registration. Discounts bid shall remain in effect for the term of the contract. Bid prices submitted will be firm for the first contract year. Suppliers may request a price adjustment for the second contract year and subsequent renewal years. CWOPA reserves the right to negotiate price adjustments requested for renewal years.

The price adjustment will be arrived at using the following formula:

“**Current Contract Price**” is the last price recorded in the contract. Either the bid price or the last adjusted price.

“**Current Price Adjustment**” is determined by multiplying 40% of the Current Contract Price by the percentage increase or decrease based on the US Department of Labor, Bureau of Labor Statistics, Producer Price Index-Commodities, Series Id: WPU071201, Item: Tires, Not Seasonally Adjusted for January of the previous year to January of the current year. The result is added to the current contract price to determine the new contract price.

40% of Current Contract Price X PPI +/- % January previous year to January current year + Current Contract Price = New Contract Price

Example:

Current Contract Price:	\$100.00
Multiplied by 40%:	40.00
Multiplied by PPI inc. 5%:	2.00
Add Current Contract Price:	100.00
New Contract Price:	\$102.00
