

Trade Up to Iridium program

WCC is pleased to extend the Trade Up to Iridium program to our customers. This program is designed to provide a solution for unsatisfied alternative satellite phone users in North America by switching users to Iridium for reliable mobile satellite phone services.

Customers meeting the program qualification requirements can turn in a listed alternative phone models to WCC and receive up to a \$400.00 equipment rebate.

The program requires a purchase of a new Iridium 9505A satellite phone kit or ASE ComCenter and a two-year post paid service agreement.
